IN RE: Least-Cost Planning Procedure for Electric     )  
         Utilities.   ) ORDER GRANTING  
   ) EXTENSION FOR  
   ) FILING INTEGRATED  
   ) RESOURCE PLAN

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of South Carolina Electric & Gas Company (SCE&G or the Company) for a sixty (60) day extension until and including April 30, 2007, to file the Company's Integrated Resource Plan (IRP) for the year 2007. In the present docket, SCE&G is required to file the Company's IRP on or before February 28 of each year.

In its request, SCE&G states that the Company is in the process of finalizing information for its IRP filing and that additional time is needed to complete the report appropriately. Therefore, SCE&G respectfully requests a sixty (60) day extension.

The South Carolina Office of Regulatory Staff (ORS) advises by letter of March 5, 2007, that the ORS has no objection to the requested extension by SCE&G. Upon consideration of SCE&G's request, we find that the request should be granted.

IT IS THEREFORE ORDERED:

1. That the request of South Carolina Electric & Gas Company for a sixty (60) day extension to file the Company's 2007 Integrated Resource Plan is hereby

granted.

2. That the annual Integrated Resource Plan of South Carolina Electric & Gas Company for the year 2007 shall be filed on or before April 30, 2007.

3. That this Order shall remain in full force and effect until further Order of this Commission.
